All hair needs to be swept up following each haircut to minimize accidents. All water spilled should also be wiped up as quickly as possible. It is the responsibility of each student to promote a safe work environment. Gloves should be worn during chemical services to reduce any allergic reaction that an individual may have to certain chemicals. Any product that would accidentally get in the eyes should be flushed thoroughly with water. Seek medical attention if irritation continues.

Physical Demands Placed On the Body

You may work long hours, especially those who own salons. Work schedules may include nights and weekends, and may not include breaks or lunches. Good health and stamina are a must. Most salon industry professionals may be on their feet for long periods of time. Prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, goggles, and gloves should be worn.

Campus Security Act Information Disclosure

Under the Crime Awareness Campus Security Act of 1990, we are required to provide the student with the following safety information about our campus.

- The School is committed to providing safety to all of its students, faculty, and staff. If a crime happens to the student or the student's property or if there is an emergency occurring on campus, report the incident to an educator or owner immediately. That individual will assist the student or guest in reporting the crime to the local police or other appropriate security force.
- The School will provide students, faculty, and staff with a copy of this crime report from the previous calendar year by October 1st of the following year. Statistics will be gathered from the local police and compiled in the annual report.
 - The report will show the number of incidents on campus, including The School parking lot and adjacent streets. At any time, statistics can be accessed from The School Admissions Office.
- Although The School does not employ security officers, The School has a working relationship with the local police who are able to support and provide services promptly in the event of an incident. We encourage accurate and prompt reporting of all crimes to the local police.

Timely Warning

In addition to the required annual campus security report, The School will provide a timely warning to students of any occurrences of the following crimes that are reported to local police agencies and are considered to represent a serious or continuing threat to students and employees. As soon as the school becomes aware of the crimes, students and employees will be notified via SMS notification.

- These crimes include: criminal homicide, forcible and non-forcible sex offenses, robbery, aggravated assault, simple assault, intimidation, vandalism, burglary, motor vehicle theft, larceny-theft, arson, hate crimes including crimes involving bodily injury reported to local police agencies that show evidence of prejudice based on race, gender, religion, sexual orientation, ethnicity or disability, arrests for violations of liquor and drug law violations, and illegal weapons possession, and persons not arrested but referred for disciplinary action for liquor, drug, and weapons law violations.

If a student wishes to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics, contact Renee or Matthew Hickmann.

- The facilities are open Monday through Saturday according to assigned class/salon area schedules. The building may also be open for educational classes for licensed professionals in cosmetology or to groups securing the use of the facilities through the owner. Only owners and staff members have keys to the building thus preventing internal crimes as minimal as possible.
- We encourage students and employees to be responsible for their own security and the security of others.
- The School does not provide any programs on campus regarding security or prevention of crimes. If students wish to learn more about personal security or prevention of crimes, contact the local Police Department.
- The School does not have any off-campus locations and therefore all monitoring and recording of any criminal activity is conducted on campus and the surrounding accessible areas. (See Campus Geography)

Drug Prevention Program

The School prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and staff on the property or as part of any School activities. The School will immediately contact law enforcement officials to report all unlawful activities. The health risks of the use of illicit drugs and alcohol abuse require providing education and referral for students and staff. The School provides education annually and refers students and staff to local services. Area drug abuse information, counseling, referral and treatment centers information is made available to students or staff members. The School will expel students and terminate staff involved in unlawful possession, use or distribution of illicit drugs and alcohol. The School will refer such cases to the proper authorities for prosecution. Students and staff may be reinstated upon completion of an appropriate rehabilitation program.

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

As a condition of employment, employees must notify The School of any criminal drug statute conviction for a violation occurring in the workplace not later than five days after such conviction. There are serious legal sanctions for illegal use of drugs and/or alcohol. There are serious health risks associated with such use. Health risks associated with the use of illicit drugs and the abuse of alcohol include: impaired mental and physical health, neurological disease/damage, memory and intellectual performance interference, mental and physical depression, uncontrollable violence, impulsive behavior, convulsive seizures, homicide, suicide, cardiac disease or damage, cardiovascular collapse or heart failure, gastrointestinal disease or damage, ulcers or erosive gastritis, anemia, liver and pancreatic disease, liver failure or pancreatitis, deteriorating relationships, and death. All students and / or staff at The School must understand The School's policies as stated above and recognize their impact if the law is broken in relation to drug and/or alcohol use.

The School reviews its Drug Prevention Policy and effectiveness of sanctions imposed every **two** years.

- The dismissal that may occur following a final determination of the said proceedings regarding The School Drug Policy prohibits the possession, use, and sale of alcoholic beverages to anyone on our property or as part of any of our activities.
- The School policy also prohibits the possession, use and sale of illegal drugs.
- The School policy supports and enforces state underage drinking laws. Students caught in any of the above situations will be dismissed from the program and will be reported to the authorities.
- In some cases, conviction of drug-related offenses could result in the student's ineligibility of Title IV funding or other forms of financial assistance.

Sex Offenses

If you are a victim of a sexual assault at this institution, your first priority should be to get to a place of safety. The School strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a member of EDT. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally a victim of sexual assault should not wash, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

Various counseling options are available throughout the county and can be found through the Waupun Police Department.

Per the Department of Education the accused and the victim will each be allowed to choose one person who has had no formal legal training to accompany them throughout the hearing. Both the victim and accused will be informed of the outcome of the hearing. A student found guilty of violating the School sexual misconduct policy could be criminally prosecuted in the state courts and may be suspended or expelled from the School for the first offense. Student victims have the option to change their academic and/or on-campus living situations after an alleged sexual assault, if such changes are reasonably available. Both the accused and the victim will be notified of the results of the hearing.

A complete list of Sex Offenders in Dodge County can be found at www.familywatchdog.us

Emergency Notification - Immediate notification of an unforeseen combination of circumstances that calls for immediate action. Emergency Notification will be in written form, posted on the front and back door of The School as well as distributed by SMS to staff members and students.

Emergency Response Procedures

At the time of an urgent unanticipated event, staff members will assess the situation to determine the significance of an emergency. In the event of an emergency, staff and students will be notified by either verbal communication (for students currently in the building), or written communication/ SMS (for students not in attendance) to notify them of the particular situation. A count for all staff, students and guests will be taken as soon as reasonably possible to ensure all are accounted for at the time of the emergency. Without delay, all students will receive notification of the emergency by written communication in the form of a text message from the **Emergency Decision Team**.

Emergency Procedures Due to Criminal or Terrorists Threats:

Upon receipt of information pertaining to a threat during business hours, the person receiving the information should notify a staff member of the impending or occurring emergency. The staff member will respond to the immediate situation when necessary and will contact civil authorities to determine appropriate action which may include evacuation of entire campus for a length of time to be determined based on the situation at hand. If necessary, The School will post on outside doors the time class will resume. In the event that staff, students and guest would be safer inside the building the EDT will direct everyone to an internal room in the School.

In A Fire Emergency

- If you smell smoke or see fire, report it immediately to an educator. A warning will then be given over the intercom system. Do not panic. Proceed as follows:
 - Students in the salon area exit single file out the front doors. **If you have a guest at the time, the guest is your responsibility.**

Family Educational Rights and Privacy Act of 1974

The FERPA is a Federal law designed to protect the privacy of a student's education records. The law applies to all schools which receive funds under an applicable program from the U.S. Department of Education.

The FERPA gives certain rights to parents regarding their children's education records. These rights transfer to the student or former student who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students.

Parents or eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school refuses to change the records, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still refuses to make the corrections, the parent or eligible student has the right to place a statement in the records commenting on the contested information in the records.

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

Generally, the school must have written permission from the parent or eligible student before releasing any information from a student's record. However, the law allows schools to disclose records without consent, to the following parties:

- School employees who have a need-to-know.
- Other schools to which a student is transferring.
- Parents when a student over 18 is still dependent.
- Certain government officials in order to carry out lawful functions.
- Appropriate parties in connection with financial aid to a student.
- Organizations doing certain studies for the school.
- Accrediting organizations.
- Individuals who have obtained court orders or subpoenas.
- Persons who need to know in cases of health and safety emergencies.
- State and local authorities to whom disclosure is required by state laws adopted before November 19, 1974.

Schools may also disclose, without consent, "directory" type information such as student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, the school must tell parents and students of the information that is designated as directory information and provide a reasonable amount of time to allow the parent or eligible student to request the school not to disclose that information about them. Schools must notify parents and eligible students of their rights under this law. The actual means of notification is left to each school. If you wish to see your records, you should contact the school for the procedure to follow. Any questions or concerns under this act should be directed to: Family Policy Compliance Office, Dept. of Ed., 400 Maryland Avenue, SW, Room 3017, Washington D.C. 20202-4605 or you may call (202) 401-2057.

Procedure for Maintaining and Safeguarding Student Records

- All student financial records are kept in a locked cabinet which is located in the financial aid office.
- The financial aid office is locked when unoccupied.
- The financial aid officer and the school owners are the only persons who have keys to the student files. No other employees have keys to the file cabinets.
- Student records are maintained on a computer software system called Genesis. This is a live, on line system with a daily back up. All data is stored in an off-site location.

Title IV Funding – General Information

The School educates students and/or parents in all options of financial aid available to those who qualify. We understand that all students'/ family's needs are unique. We are committed to the student's educational success, a part of which includes securing the proper funding. The information from the FAFSA, provided by the student and/or parent, in conjunction with state and federal regulations determines eligibility for available programs. Many parents borrow money to help cover educational costs and living expenses for their daughter/son. The School encourages parents of eligible dependent students to apply for the Federal Parent Plus Loan.

Types of Financial Aid Available

Federal Pell Grant (Need Based Aid)

Pell Grants provide a foundation of financial assistance that may be supplemental by other resources and doesn't have to be repaid after graduation. Pell Grants are determined after the financial status of a student is fully reviewed. Based on a student's financial circumstances, a specific amount of money is disbursed annually toward the student's education through the Pell Grant. How much you can expect to receive from a Pell Grant is solely based on your financial situation and other criteria.

William D. Ford Direct Stafford Loans (Need & Non-Need Based Aid)

Loans made through this program are referred to as Direct Loans, because eligible student and parents borrow directly from the US Department of Education. You must be enrolled at least a half-time student to be eligible for a loan. Direct Loans include the following:

Direct Stafford Loans

- Direct Subsidized Loans – you must have financial need to receive a subsidized loan. The US Department of Education will pay (subsidize) the interest that accrues on your Direct Subsidized Loan during certain periods.

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

- Direct Unsubsidized Loans – financial need is not a requirement to obtain an unsubsidized loan. You are responsible for paying the interest that accrues on your Direct Unsubsidized Loan.
- Direct PLUS Loans (Plus Loans) are loans parents can obtain to help pay the cost of education for their dependent undergraduate children.

G.I. Bill

If you have spent time in the military, you are eligible to use your G.I. Bill toward your education. The G.I. Bill was specifically designed for college or vocational education. Certified by State Approving Agency for Veterans' Educational Benefits. *These approvals are state and school specific and may not apply to all schools. To apply go to www.gibill.va.gov. Bring certificate of eligibility to the FAO office to begin enrollment certification with VA.

- have a high school diploma, GED or equivalent
- complete the FAFSA for each financial aid year the student is eligible for aid
- comply with The School Satisfactory Academic Progress Policy
- not be in default on previous student loans
- not owe repayment on an adjusted Pell Grant

- be a citizen or eligible non-citizen

Steps To Apply for Title IV Aid

1. The student must complete the FAFSA for each financial aid year in which the student is eligible to receive aid. The Department of Education (DOE) prefers students complete a web FAFSA at www.fafsa.ed.gov. To complete a web FAFSA, the student will need an electronic pin number. This can be obtained at www.pin.ed.gov. This pin is unique to each FAFSA applicant and cannot be shared with anyone else as it acts as the student's signature required to submit a FAFSA. A parent of a dependent student must also apply for a pin. The parent is required to sign the web FAFSA with their uniquely created pin.
2. Once a pin number has successfully been created, a web FAFSA can now be completed. Be sure to follow all instructions when completing the FAFSA. Enter *The Institution's School Code, 041792*, for Advanced College of Cosmetology, Waupun, WI. This will allow disclosure of information from the FAFSA to the school chosen by entering the school code. In the case of a dependent student, both the student and one parent will need to complete and sign the FAFSA application in order to be eligible for a Pell Grant. Dependency status is determined by the information that is filled out on the student's FAFSA.
3. If the parents of a dependent student refuse to provide information on the FAFSA; the student will not be eligible for Pell Grants and will only be eligible for unsubsidized funding.
4. Once the FAFSA is complete, the student will receive a SAR (Student Aid Report). The School will be sent an ISIR (Institutional Student Information Record) for all students who list their school code. All verification and/or corrections must be completed prior to qualifying for aid.
5. If a student's FAFSA is selected for verification, the student will receive The School's verification policy and a verification worksheet. The student is required to return the verification worksheet completed, as well as provide any other requested documents. If parent information is entered in the FAFSA, or the student is a dependant, parents may need to provide additional requested documents. If selected, this verification

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

process must be completed before a student can receive federal aid. The verification process could result in a corrected ISIR and new Expected Family Contribution (EFC) number which could affect the student's unmet need and eligible need based aid, Stafford Subsidized Loans and Pell Grants.

6. The Primary EFC provided on the student's ISIR will be used to calculate need and unmet need analysis through the Cost of Attendance Worksheet. This Primary EFC number corresponds with the number of months in each academic year. The Cost of Attendance Budget for each academic year includes the student's tuition costs per academic year. These costs include tuition, applicable fees, kit and books (per the academic year in which the cost is incurred), room and board, personal expenses and transportation costs.
7. The School utilizes the information presented on the student's ISIR and the NSLDS (National Student Loan Data System) to determine the student's eligibility and to calculate the student's unmet need for the student's grade level. This is done in compliance with the Cost of Attendance Budget grade level limits based on hours in the academic year.
8. Students who desire low interest Stafford Federal Student Loans must complete a Master Promissory Note or Electronic Master Promissory Note (E-MPN) at www.studentloans.gov
9. Parents desiring to take out a low interest Federal Parent Plus Loan on behalf of their dependent daughter or son must complete a Consent to Credit Check document that is made available by the Financial Aid Office. This form must be returned completed along with a readable copy of the parents Drivers License or State ID.
10. Students must complete the Entrance Loan Counseling prior to the student receiving a disbursement of any Federal loans. For Direct Loans, students may access Entrance Loan Counseling at www.studentloans.gov
11. Students will need to accept or decline eligible aid by completing the Students Financial Aid Award Notice with the Financial Aid Administrator.
12. Accepted aid will be listed on the student's award letter.
13. Students are required to notify The School's Financial Aid Officer if they receive any additional financial assistance before or after an award letter has been issued. Scholarships or other types of financial aid could be reported throughout the year. If additional awarded aid causes the student to exceed the cost of attendance, it may be necessary to reduce the amount of previously awarded aid.
14. Students will complete said process for the 1st academic year (1-900 hours) and 2nd academic year (901-1800 hours).

Special Circumstances – Dependency Override & Professional Judgement

Dependency Override – Students who do not meet the Federal definition of an independent, but have unusual circumstances, may appeal their dependency status to The School's Financial Aid Office. Dependency Status overrides are done on a case by case basis and a determination from one Financial Aid Administrator at one institution is not binding at another institution. Successful appeals may result in an increase in the student's eligibility for aid. The Application and Verification Guide (AVG) has identified four conditions that individually or in combination with one another, **do not qualify as "unusual circumstances" or that do not merit a dependency override.** These circumstances are as follows:

1. Parents refusing to contribute to the student's education
2. Parents unwilling to provide information on the application or for verification
3. Parents are not claiming the students as a dependent for income tax purposes
4. Student demonstrates total self-sufficiency.

Students with special circumstances should contact The School's Financial Aid Office. Those students whose appeals are determined eligible will be required to submit three letters detailing the student's situation. The first letter must be from the student detailing their situation and the other two letters must be from outside sources familiar with the student's situation (i.e.: Clergy, family friend, counsellor, etc.)

Professional Judgement – Circumstances beyond the student's control (and/or family) that affect the student's (and/or family) income during the current academic year could result in a reduced estimated family contribution (EFC). Students with special circumstances should always complete a FAFSA and then contact the Financial Aid office. If a student wishes to appeal the EFC based on special circumstances and is determined eligible to do so, the student should complete a Professional Judgement form and may be requested to supply supporting documentation of said circumstances.

Verification

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

Students selected by CPS (Central Processing System) for the process of verification are frequently required to submit additional information and/or parents' financial & household information to the finance office. The verification procedures will be conducted as follows:

1. When selected by CPS for the process of verification, the student must submit all required documentation to the finance office within 14 days from the date the student is notified that the additional documentation is needed for this process.
2. If the student does not provide all of the required documentation within the 14 day time frame, the student will be required to make other payment arrangements until the documentation is received and the student's eligibility for federal student aid has been established.
3. The finance office reserves the right to make exceptions to the policy stated above on a case by case basis for extenuating circumstances.
4. The finance office will notify the student of any changes to their financial aid award resulting from corrections made due to the verification process. An adjustment will be made to the student's financial aid award as required by federal regulations and an addendum to the existing award letter or a new award letter will be issued.

Deferment

Students who are enrolled at least half time can apply for deferment of previous student loans while in attendance at The School. Please log on to www.nslds.ed.gov to find your current loan servicer and to find out more details on "in-school deferment".

Cost of Attendance Budgets (COA)

In order to determine a student's level of loan funding, the Department of Education requires us to develop annual cost of attendance budgets. These budgets include an average allowance for room & board, transportation, miscellaneous, loan fees and, if applicable, child care and expenses related to disability. The following are standard monthly allowances that make up the cost of attendance budgets.

How funds will be disbursed:

In order to receive their Pell Grant/Direct Loan Disbursements, students are required to have a Satisfactory Academic Progress (SAP) average of 75%. This figure is arrived at by averaging grades from the following areas: classroom work, projects, and styling area performance, as well as a 67% or higher attendance requirement. The School uses a 100-point grading scale: 93%-100% is an A, 85%-92% is a B, 75-84% is a C, and 0%-74% is failing.

The hourly disbursement schedule for the cosmetology student is as follows:

1. First disbursement is scheduled for the first day of classes for Pell and thirty days after class begins for direct loans.
2. Second disbursement after successful completion of 450 clock hours.
3. Third disbursement after successful completion of 900 clock hours.
4. Fourth disbursement after successful completion of 1350 clock hours.

At the time of disbursement, the student will sign a line receipt acknowledging the disbursement and the status of their account.

Disbursement of Credit Balance Refund Summary

If the student has financial aid that exceeds his or her tuition and fee charges for the academic year in which the disbursement occurred, the student will have a credit balance. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

A credit balance refund will be given to the parent if:

The amount of the PLUS loan is greater than the student's tuition and fees charges for the academic year in which the disbursement occurred. All credit balance refunds will be issued by check within 14 calendar days of the date of disbursement.

Effects of Student Loans

- If the student receives other forms of financial assistance such as scholarships it may reduce the student or the student's parent eligibility for Federal Aid.
- Loans must be repaid, even if the student does not finish their education. Loan repayment begins 6 months from the date of graduation or withdrawal.
- If a student does not return from a maximum 6 month Leave of Absence, the student's loans immediately enter repayment.
- Failure to repay a student loan will leave a negative mark on the borrower's credit.
- Over borrowing of student loans may cause a borrower to pay more than their earning potential can handle, especially during the early years of repayment.

Loan Disclosures

- Student loan information published by the US Department of Education (The Guide to Federal Student Aid) is available in the Financial Aid Office.
- NSLDS (National Student Load Data System) – student loans will be submitted to the NSLDS and will be accessible by guaranty agencies, lenders and schools determined to be authorized users of the data system.

Consumer Information 2015

- PLUS Loans do not have a grace period. For more information, see "[When do parents and graduate and professional degree students begin repaying a PLUS Loan?](#)"
- If you are in active military duty for more than 30 days, the grace period will be delayed.

Your school, lender or the Direct Loan Servicing Center, as appropriate, must give you a loan repayment schedule that states:

- when your first payment is due;
- the number and frequency of payments; and
- the amount of each payment.

If you or your parents borrow under the FFEL Program, you (or your parents, or graduate and professional degree students for PLUS Loans) must be notified when the loan is sold if the sale results in making payments to a new lender or agency. Both the old and new lender must provide this notification. You must be given:

- the identity of the new lender or agency holding the loan; and
- the address where you or your parents must send payments and the telephone numbers of both the old and new lender or agency.

Student (Borrower) Responsibilities

1. Borrower – it is the responsibility of the student to:
 - Think about how much you are borrowing: how the amount of loan will affect your future finances, and what your repayment obligation means before you take out a student loan.
 - Students will need to accept or decline eligible aid. Accepted aid will be listed on the student's award letter.
 - Sign a promissory note: you are agreeing to repay the loan according to the terms of the note even if you do not complete your education, can't get a job after you complete the program, or you didn't like the education that you received. You can do this online at www.studentloans.gov. This promissory note can be signed electronically or hard copy before any loan funds can be disbursed.
 - Make payments on time: you are required to make payments on time if you don't receive a bill, repayment notice, or a reminder. You also must make monthly payments in the full amount required by your repayment plan. Partial payments do not fulfill your obligation to repay your student loan on time.
 - Continue to pay your loans while waiting for deferment or forbearance approval.
 - Keep in touch with your loan servicer: notify your servicer when you graduate; withdraw from school, drop below half-time status, change your name, address, or social security number; or transfer to another school.
2. Entrance Counseling: First-time borrowers must complete an entrance counseling session before your first loan disbursement. This session includes useful tips and tools to help you develop a budget for managing your education expenses and help you to understand your loan responsibilities. Each student will complete the Department of Education's entrance counseling online at www.studentloans.gov.
 - Review deferment
 - Importance of keeping financial aid papers
 - Reinforce the importance of repayment
 - Importance that loan repayment is required even if the student does not finish their education
 - Default and its consequences
 - How to use the MPN or E-MPN
 - Explain interest and capitalization
 - Provide sample monthly repayment amounts and the importance of not over borrowing
 - NSLDS and how to access the system
 - Contact information for questions
 - Notification of change of name or address
 - Withdrawal from the program and how the withdrawal will affect the student
3. Exit Counseling: Students must complete exit counseling before you leave school to make sure you understand your rights and responsibilities as a borrower. Each student will complete the Department of Education's exit counseling online at www.nslds.ed.gov and www.studentloans.gov as well as discuss the following during your personal appointment with the FAO:
 - Review information concerning loans from entrance interview

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

- Review repayment options including seriousness and importance
 - Review average indebtedness of student borrowers and anticipated monthly repayment amount
 - Provide information on loan consolidation (pros and cons)
 - Discuss how to contact the party servicing the student borrowers direct loans
 - Discuss debt management strategies
 - Provide information on forbearance, deferment and cancellation options
 - Describe the likely consequences of default
 - How to access the NSLDS website and availability of FSA Ombudsman's office
 - Help the borrower understand their rights and responsibilities concerning loan repayment
 - Collect updated personal contact information for the borrower
4. Repayment of Loans: There is a set time period after a student graduates, leaves the school or drops below half-time status before the student must begin repayment of loan(s). This period of time is called a grace period and gives the student the time to get financially settled and select a repayment plan. The grace period for a Direct Stafford loan is six months. Plus Loans do not have a grace period. Depending on the type of loan a student receives and the repayment plan chosen, the student may have from 10-25 years to repay the loans. Monthly repayment amount will depend on the type of loan, size of debt, length of repayment period and repayment plan chosen. For more information, go online to www.studentaid.ed.gov/repaying.

- If student (or in the case of student under legal age, his/her parent or guardian) cancels the enrollment in writing within three business days of signing the enrollment contract, or if an accepted student is determined unqualified, or the enrollment was procured as a result of misrepresentations by the school, all monies collected by the school will be refunded even if the student has begun classes.

last class attended, or the effective date of the withdrawal or termination. This policy is in compliance with the requirements of Title 38 CFR 21.4255.

Determination Date/Withdrawal Date (Official/Unofficial Withdrawal):

The last date of attendance would be the last day the student was physically in attendance at the school. A withdrawal date on a student who had been previously attending could be up to, but not to exceeding, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify the school's administrative office of their intention to withdraw from school. An active student is considered unofficially withdrawn when they have been absent for 10 consecutive school days (14 calendar days) from their last date of physical attendance without notifying the school's administrative office.

Return of Title IV Funds

The law specifies how your school must determine the amount of Title IV program assistance that you earn if you withdraw from school. The Title IV programs that are covered by this law are: Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your school or parent received on your behalf) less assistance than the amount that you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you may be due a Post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your school must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your school may automatically use all or a portion of your Post-withdrawal disbursement of grant funds for tuition, fees, and room and board charges (as contracted with the school). The school needs your permission to use the Post-withdrawal grant disbursement for all other school charges. If you do not give your permission (some schools ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow the school to keep the funds to reduce your debt at the school.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct loan funds that you would have received had you remained enrolled past the 30th day. If you receive (or your school or parent receive on your behalf) excess Title IV program funds that must be returned, your school must return a portion of the excess equal to the lesser of: your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds. The school must return this amount even if it didn't keep this amount of your Title IV program funds. If your school is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your school or the Department of Education to return the unearned grant funds.

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your school may have. Therefore, you may still owe funds to the school to cover unpaid institutional charges. Your school may also charge you for any Title IV program funds that the school was required to return.

Return of Funds by the School

The school will make the refund determination within thirty (30) days from the date of withdraw/termination and return the unearned funds for which the School is responsible as soon as possible, but no later than 45 days after the date of student withdraw/termination.

The school must return the unearned aid for which the school is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

Satisfactory Academic Progress Policy (SAP)

The Satisfactory Academic Progress Policy is consistently applied to all students enrolled at the school. It is printed in the catalog to ensure that all students receive a copy prior to the first day of class. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education.

Evaluation Periods

Students are evaluated for Satisfactory Academic Progress as follows:

Cosmetology	450, 900, and 1225 clocked hours
Managers Course	75, 150 clocked hours
Instructor	75, 150 clocked hours

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course.

Attendance Progress

Students are required to attend a minimum of 67% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 67% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

Maximum Time Frame

The maximum time (which does not exceed 150% of the course length) allowed for students to complete each course at satisfactory progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	SCHEDULED HOURS
COSMETOLOGY (34 hrs/wk - 1550 HOURS)	69 WEEKS	2325
MANAGER'S (18.75 hrs/wk – 150 HOURS)	12 WEEKS	225
INSTRUCTOR (18.75 hrs/wk – 150 HOURS)	12 WEEKS	225

Advanced College of Cosmetology – Waupun, Wisconsin Consumer Information 2015

Academic Progress

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 75% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

93 - 100	EXCELLENT
85 - 92	VERY GOOD
75 - 84	SATISFACTORY
70 - 74	BELOW STANDARDS – UNSATISFACTORY

Determination of Progress

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination Report at the time of each of the evaluations. This report notifies the student of any evaluation that may impact the student's eligibility for Title IV aid. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning.

Warning

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she will be deemed ineligible to receive Title IV funds and payment arrangements must be made to continue the program.

Re-establishment of Status

Students may re-establish satisfactory academic progress and reinstatement of Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning period at the next scheduled evaluation.

Interruptions, Course Incompletes, Withdrawals

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Non-Credit and Remedial Courses

Noncredit and remedial courses do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

Leave of Absence (LOA) Policy

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. A student who must take an approved Leave of Absence (LOA) will return to school in the same progress status as prior to the leave of absence. A student may be granted a LOA for only one reason: Documented Medical Issues

The LOA must be requested and approved in writing prior to LOA occurring. In addition the student is required to list the reason for the LOA as well as provide supporting medical documentation. Emergency LOA, without prior written request, may be granted provided the student completes the LOA form and returns it to the School via mail or in person within reasonable resolution of the emergency.

Advanced College of Cosmetology – Waupun, Wisconsin

Consumer Information 2015

The maximum time frame for a LOA is 180 calendar days and the minimum is 2 weeks or 14 calendar days. The School permits only one LOA within an enrollment contract period.

On the day the student returns from a LOA the student is required to inform the admissions office of their return. The student will be required to complete an enrollment agreement addendum and the student's contract end date and maximum time frame will be extended for the same number of days the student was on LOA so as to prevent any penalty to the student.

For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to students while on a Leave of Absence. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed.

If the student does not return from the leave within the 180 days, or by the designated date of return as stated on the Leave of Absence Form, the student will be dropped from the program. If the student is a Title IV loan recipient, the student's loans will go into immediate repayment.

Grievances

In accordance with the institution's mission statement, the school will make every attempt to resolve any student complaint that is not frivolous or without merit. Complaint procedures will be included in new student orientation thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. Evidence of final resolution of all complaints will be retained in school files in order to determine the frequency, nature, and patterns of complaints for the institution. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within 60 days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the school Director.
3. The complaint will be reviewed by management and a response will be sent in writing to the student within 30 days of receiving the complaint. The initial response may not provide for final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, management will appoint a hearing committee consisting of one member selected by the school who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in the school, and another member who may not be employed by the school or related to the school owners. The hearing will occur within 90 days of committee appointment. The hearing will be informal with the student presenting his/her case followed by the school's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness' testimony and a recommended resolution for the dispute. School management shall consider the report and either accept, reject, or modify the recommendations of the committee. Corporate management shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. Students must exhaust the institution's internal complaint process before submitting the complaint to the school's accrediting agency, if applicable. Information on contacting the institution's accrediting agency can be found elsewhere in this catalog.
